Make history with your fellow American Patriots. When your grand children ask you where you were on 1/6/21, what will you say?

"I fought for America and President Donald John Trump on that day! It is thanks to me and my fellow patriots that your freedoms and rights are now secured and you are now able to have a less troubled future."

Historic weeks. Ever since the Cuban missile crisis or maybe when the Soviet generals tried to do a coup. Domestically ever since the civil war!

WAY. BIGGER.

Bigger population, deadlier weapons, better communication, and this time, we're not fighting 'merely' for our status, lifestyle, proper place in the human hierarchy... we're fighting for our ENTIRE GOD-GIVEN COUNTRY.

You're a great Patriot and could I ask you and anyone else who will be leaving after a few days:

- Please consider leaving as much gear, rations, tools and batteries as possible with those who are able to stay longer.

If you are able to come back weeks later you can, hopefully, load up with new gear, food, magazines etc. I understand many can't necessarily afford that or will need their stuff for other projects but: for those who can - please leave supplies with those who are staying for the longer haul.
